Land Management

The Flat Rock Brook Nature Center cannot do all it does without the energy and dedication of hundreds of volunteers. Volunteers work under the guidance of our Land Manager. Please check off areas of interest, complete the form and mail or fax it to us. You will be contacted by our Volunteer Coordinator. Thank you for your interest in Flat Rock Brook.

_____ **Gardening:** Cultivating, weeding, grooming plants in our native plant gardens with our gardeners. Availability is needed May through September on weekdays. Minimum age requirement is 18 yrs. old. Some experience required.

_____ **Trail Work:** Trail maintenance. Minimum age requirement is 16 yrs. old.

_____ **Land Management Research Projects:** Assist with invasive plant species control, erosion control, seasonal plantings, tree work and habitat restoration; moderate physical labor. Minimum age requirement is 18 yrs. old.
